# LILY SEED

For Fall 1943 and Spring 1944

See 1942 Catalog, page 44, for full planting instructions.

Place your orders early, and it would be wise to give a second choice. We mail first choice always, when the seed are available. These seed are offered subject to crop.

Regular Packets .....	30c each	12 Regular Packets.....	\$3.00
Large Packets .....	50c each	12 Large Packets .....	\$5.00

The following species are slow germinating. Sow June to September for germination following spring or November to February for germination second spring.

Auratum type	Douglas Ingram	Pardalinum
Auratum pictum	Giganteum Himalaicum	Pardalinum Giganteum
Backhouse Hybrids	Grayi	Sacajawea
Bolanderi	Hansonii	Shuksan
Canadense	Humboldtii Magnificum	Star of Oregon
